Note: The Procuring Agency specified Double A as the preferred brand for the procurement of the items listed at S. No. 1 and 2. During the technical evaluation, it was observed that the alternative brands quoted by the participating firms/vendors were not equivalent to the Double A brand. Unlike Double A paper, which meets the required quality standards, the other quoted brands are locally cut and packaged and are not compatible with the printing machines installed at FPSC. Accordingly, the Procurement (Evaluation) Committee determined that the Double A paper quoted by M/S Jamal & Brothers was technically responsive, as the firm is an authorized distributor of the Double A brand. Furthermore, the brands quoted by M/S Capital Stationers and M/S Paper Line were evaluated and found not to be equivalent to the specified Double A paper. Therefore, the rates quoted by M/S Jamal & Brothers for the items at S. No. 1 and 2 are recommended as most advantageous.

Most Advantageous Rates for the items prequalified by the committee, as indicated in bold shading in the comparative statement.
